PRESS RELEASE – For Immediate Release

MINISTER ALBANESE REJECTS CANBERRA AIRPORT’S MASTERPLAN

The Village Building Co. notes the rejection by the Minister for Infrastructure, Transport, Regional Development and Local Government of Canberra Airport’s Master Plan.

Chief Executive Mr Bob Winnel said, “Minister Albanese has questioned the growth projections in Canberra Airport’s draft Master Plan and the lack of justification for the size of the proposed freight business.

“We have always said these projections are exaggerated.

“The Minister has also said that the level of public consultation is inadequate.

“The Federal Court found that noise contours require endorsement by the Minister. We will now make a submission that the assumptions underlying the noise contours must be substantiated.

“This decision is an achievement for the communities of Jerrabomberra, Queanbeyan, Hackett and Campbell.”

“The rezoning process for Tralee will continue in line with the residential strategy unanimously endorsed by Queanbeyan City Council.” Mr Winnel said.
