## Office of the Chief Executive

PRESS RELEASE – For Immediate Release  
20 June 2008

### TRALEE SET TO PROCEED

Canberra Airport's new ANEF has been endorsed by AirServices Australia.

A revised proposal for South Jerrabomberra was submitted some time ago by The Village Building Co. to both Queanbeyan City Council and the NSW Department of Planning,

This proposal contains minor changes to the previous plans to accommodate the new ANEF.

Mr Bob Winnel, CEO of The Village Building Co., said "This proposal for the development of South Jerrabomberra remains well within acceptable limits of nationally adopted standards for aircraft noise and residential development."

"The Village Building Co can now progress its proposal for the development of affordable housing, employment areas and community facilities needed for Jerrabomberra. A non-government secondary school will be provided early in the development to service South Canberra, Jerrabomberra and Queanbeyan" said Mr Winnel.
